

## Squad #2.1. Testing checklists

### UC1. Menu browsing with search - checklist

- Menu browsing is public
- All products are listed on one page
- Following info exists for every product and is consistent
  - Name
  - Price
  - Size info
  - Photo
- Out of stock goods are marked as 'out of stock'
- Default sorting: by name
- Search by name works: full-text, partial
- Filtering works by
  - Categories: Cold drinks, Desserts, Hot Drinks, Pasta, Pizza, Salads, Soups, Starters
  - Highlight: House Special, Spicy, Vegan, Vegetarian
  - Allergens: Eggs, Gluten, Milk
- Multiple filters can be applied at same time, category overlaps give logical output.

### UC2. Previewing products

Tested in version 0.0.2

- Previewing the products is public - 
- Product preview is opened from Menu - 
- Every product has own preview - 
- Product preview formatting is consistent -  (look below pt.6)
- If there is an 'Out of stock' label, product should not be available for ordering -  (pepperroni pizza is an example)

#### 6. Every product should have

berry smoothie	chocolate sundae	coffee-latte small	garlic flat bread	lager	mojito mocktail	pasta carbonara	pepperoni pizza	salad
<div><div>1. </div><div>2. Name</div><div>3. Price</div><div>4. Size (may vary for different products)</div><div>5. Category</div><div>6. Highlight - at least one</div><div>7. Description - comma separated list: * yogurt tipo</div><div>8. Allergy information *category vegan and ingredients include oat, but milk is allergy?</div></div>	<div><div>1. </div><div>2. Name</div><div>3. Price</div><div>4. Size (may vary for different products) *size is missing, atm it is "one serve"</div><div>5. Category</div><div>6. Highlight - at least one</div><div>7. Description - comma separated list</div><div>8. Allergy information</div></div>	<div><div>1. </div><div>2. Name</div><div>3. Price</div><div>4. Size (may vary for different products)</div><div>5. Category</div><div>6. Highlight - at least one</div><div>7. Description - comma separated list</div><div>8. Allergy information</div></div>	<div><div>1. </div><div>2. Name</div><div>3. Price</div><div>4. Size (may vary for different products)</div><div>5. Category</div><div>6. Highlight - at least one</div><div>7. Description - comma separated list</div><div>8. Allergy information</div></div>	<div><div>1. </div><div>2. Name</div><div>3. Price</div><div>4. Size (may vary for different products)(Size still in cl ?)(Report ed)</div><div>5. Category</div><div>6. Highlight - at least one a. No highlights(Reported)</div><div>7. Description - comma separated list *Not a list, but a lovely sentence</div><div>8. Allergy information *Empty space</div></div>	<div><div>1. </div><div>2. Name</div><div>3. Price</div><div>4. Size (may vary for different products)</div><div>5. Category</div><div>6. Highlight - at least one a. No highlights(Reported)</div><div>7. Description - comma separated list a. Not a list, but sentence(Reported)</div><div>8. Allergy information a. Empty space(Reported)</div></div>	<div><div>1. </div><div>2. Name</div><div>3. Price</div><div>4. Size (may vary for different products)</div><div>5. Category</div><div>6. Highlight - at least one</div><div>7. Description - comma separated list</div><div>8. Allergy information</div></div>	<div><div>1. </div><div>2. Name</div><div>3. Price</div><div>4. Size (may vary for different products)</div><div>5. Category</div><div>6. Highlight - at least one</div><div>7. Description - comma separated list a. formatting not correct (Reported)</div><div>8. Allergy information</div></div>	<div><div>1. </div><div>2. Name</div><div>3. Price</div><div>4. Size (may vary for different products)</div><div>5. Category</div><div>6. Highlight - at least one</div><div>7. Description - comma separated list a. formatting not correct (Reported)</div><div>8. Allergy information a. Empty space(Reported)</div></div>

### UC3. Ordering products

- Adding products to the order
  - 1.1. Products can be added to the order by clicking "+" button from the menu.  - button "+" is missing from menu screen

1.2. Products can be added to the order by clicking "+" button from product preview screen.

Berry smoothie ✓

Chocolate sundae ✓
